## Renewing Fido's License Just Got Easier

---

**Los Angeles:** Renewing your dog's license has never been easier or more convenient. All you have to do is refer to the license renewal notice that you receive in the mail, go to LA Animal Services' website located at <http://www.LAAnimalServices.com> and click on the online licensing icon.

You then enter the license number and your person id number from your renewal notice, verify that the animal information and your information are correct, the rabies vaccination has not expired, and the license type is correct. You can pay for your renewal with your credit card from the comfort of your home or office.

You will receive your new license certificate in the mail in 4 to 8 weeks but in the meantime your receipt is your proof that your dog's license is current.
