## Smashing First Day for Pet Discount Adoption Event At LA Animal Services

---

**Los Angeles** – Tuesday, June 15, 2010, ended with the sound of 108 pets scampering out the door as residents took full advantage of discounted pet adoption fees at six Animal Care Centers. While Tuesdays are generally a slower day for adoptions with about 80-90 pets going home, yesterday reversed the trend, catapulting dogs and cats into the hearts and hands of happy adopters.

“What a great day to see so many happy pets headed home,” remarked Director of Operations-Valley Jan Selder. “We still have more than 1700 cute, adorable pets in our six Centers that are hoping today will be their day to head out for home.”

LA Animal Services adopts more than 25,000 pets annually. The current Father’s Day discount adoption event runs through Sunday with special fun, family promotions scheduled for Saturday, June 19th. The Found Animal Foundation will add to the excitement on Saturday by featuring “Better with a Buddy”. On Saturday only at all six Animal Care Centers, Found Animals will pick up the adoption fees for a second pet, allowing pet lovers to take two home for the discounted price of one.

“While ties are nice, bringing home Man’s Best Friend is a special treat for our treasured Dads that will provide memories for a life time,” stated Interim General Manager Kathy Davis. “Don’t tie up Dad with another dull striped idea, instead dazzle him with a cool striped cat or a great spotted dog that will lick any gift.”
