Regular Meetings are held at City Hall, 200 North Spring Street, Room 1060, in Los Angeles, CA 90012. Evening Meetings are held in various locations throughout the City, from 7:00 to approximately 9:30 P.M. The agendas for Board meetings contain a brief general description of those items to be considered at the meetings. Board Agendas are available at the Department of Animal Services (Department), Administrative Division, 350 South Grand Avenue, 45th Floor, Suite 4501, Los Angeles, CA 90071. Internet users may also access copies of present and prior agenda items, copies of the Board Calendar, MP-3 audio files of meetings as well as electronic copies of approved minutes on the Department's World Wide Web Home Page site at <http://www.laanimalservices.com/CommissionAgendas.htm>

Three (3) members of the Board constitute a quorum for the transaction of business. Some items on the Agenda may be approved without any discussion.

The Board Secretary will announce the items to be considered by the Board. The Board will hear the presentation on the topic and gather additional information from Department Staff. Once presentations have finished, the Board President will ask if any Board Member or member of the public wishes to speak on one or more of these items. Each speaker called before the Commission will have one (1) minute to express their comments and concerns on matters placed on the agenda. (For certain agenda items, speakers will have two (2) minutes.)

PUBLIC INPUT AT BOARD MEETINGS – Public Participation on Agenda Items. Members of the public will have an opportunity to address the Board on agenda items after the item is called and before the Board takes action on the item, unless the opportunity for public participation on the item was previously provided to all interested members of the public at a public meeting of a Committee of the Board and the item has not substantially changed since the Committee heard the item. When speaking to an agenda item other than during Public Comment (see Public Comment below), the speaker shall limit his or her comments to the specific item under consideration (California Government Code, Section 54954.3).

Public Comment. The Board will provide an opportunity for public comment at every regular meeting of the Board. Members of the public may address the Board on any items within the subject matter jurisdiction of the Board as part of Public Comment.

Speaker Cards. Members of the public wishing to speak are to fill out one speaker card for each agenda item on which they wish to speak and present it to the Board secretary **before** the item is called.

Time Limit for Speakers. Speakers addressing the Board will be limited to one (1) minute of speaking time for each agenda item except during general public comment period which is limited to two (2) minutes per speaker. (For certain agenda items, speakers will have two (2) minutes each.). The Chairperson, with the approval of a majority of the Board, may for good cause extend any speaker's time by increments of up to one (1) minute.

Brown Act. These rules shall be interpreted in a manner that is consistent with the Ralph M. Brown Act, California Government Code Section § 54950 et seq.

STANDARDS OF CONDUCT. Speakers are expected to behave in an orderly manner and to refrain from personal attacks or use of profanity or language that may incite violence.

All persons present at Board meetings are expected to behave in an orderly manner and to refrain from disrupting the meeting, interfering with the rights of others to address the Board and/or interfering with the conduct of business by the Board.

In the event that any speaker does not comply with the foregoing requirements, or if a speaker does not address the specific item under consideration, the speaker may be ruled out of order, their speaking time forfeited and the Chairperson may call upon the next speaker.

The Board, by majority vote, may order the removal from the meeting of any speaker or audience member continuing to behave in a disruptive manner after being warned by the Chairperson regarding their behavior. Section 403 of the California Penal Code states as follows: "Every person who, without authority of law, willfully disturbs or breaks up any assembly or meeting that is not unlawful in its character, other than an assembly or meeting referred to in Section 302 of the Penal Code or Section 18340 of the Elections Code, is guilty of a misdemeanor."

VOTING AND DISPOSITION OF ITEMS – Most items require a majority vote of the entire membership of the Board (3 members). When debate on an item is completed, the Board President will instruct the Secretary to "call the roll".

Every member present must vote for or against each item; abstentions are not permitted unless there is a Conflict of Interest for which the Board member is obliged to abstain from voting. The Secretary will announce the votes on each item. Any member of the Board may move to "reconsider" any vote on any item on the agenda, except to adjourn, suspend the Rules, or where an intervening event has deprived the Board of jurisdiction, providing that said member originally voted on the prevailing side of the item. The motion to "reconsider" shall only be in order once during the meeting, and once during the next regular meeting. The member requesting reconsideration shall identify for all members present the Agenda number and subject matter previously voted upon. A motion to reconsider is not debatable and shall require an affirmative vote of three members of the Board.

When the Board has failed by sufficient votes to approve or reject an item, and has not lost jurisdiction over the matter, or has not caused it to be continued beyond the next regular meeting, the issue is again placed on the next agenda for the following meeting for the purpose of allowing the Board to again vote on the matter.

I. ADMINISTRATIVE APPEALS

1. Dangerous Animal Case: DA 152092 NC

Respondent: Marga Vergara and Luis Damian Robles
Complaining Witness: Alheli Barrios and Jose Orozco
North Central Animal Care and Control: Lieutenant John Cessna

(Testimony was taken from the Respondent's and Complaining Witnesses on January 12, 2016, at which time the decision was continued in order to listen to the audio recording of the Administrative Hearing and get a translation of the Spanish language testimony.)

The Commissioners discussed the case and merits of the appeal.

Commissioner Zaft found that the evidence did not support the General Manager's determination to revoke the licenses; moved to modify the General Manager's decision and reissued the licenses for "**Remi**" (**L17-346418**) and "**Shelly**" (**L17-346419**), subject to the terms, conditions and restrictions as delineated by ACA Lesel. **Commissioner Yañez** seconded and the motion passed 3-0.

2. Dangerous Animal Case: DA 153021 WL (taken out of order after item 1.3)

Respondent: Paul Morales
Complaining Witness: George and Nakaya Horton
West Los Angeles Animal Care and Control: Captain Wendell Bowers

The Respondent, Paul Morales, was not in attendance. Complaining Witness Nakaya Horton was present and stated that her husband was out of town and was not able to attend the Administrative Hearing, but was told that he did not have to attend. The Commissioners discussed the merits of the appeal and the evidence provided to the Hearing Examiner.

Commissioner Zaft found that, based on the testimony, the administrative hearing was not conducted in accordance with LAMC § 53.18.5, and moved to remand the case back to the Department for a new hearing, and directed that both the Respondent and Complaining Witnesses be notified of the new hearing date. The motion was seconded by **Commissioner Yañez** and was approved by a vote of 3 - 0.

3. Dangerous Animal Case: DA 155022 WV (taken out of order after item 1.1.)

Respondent: Sal and Naranjika DeSilva

Complaining Witness: Joyce Herbst and Dhia Alhashim

West Valley Animal Care and Control: Captain Karen Knipscheer-Cox

Testimony was taken from the Respondent's Attorney, Marla Tauscher, who stated that there was no direct evidence or witness testimony to support the determination. None of the Complaining Witnesses were in attendance. The Commissioners discussed the merits of the appeal and the evidence provided to the Hearing Examiner.

Commissioner Zaft noted that there have been several cases in which the Hearing Examiner findings and General Manager's determinations have made decisions where there is no direct evidence provided or eye witness testimony. **Commissioner Gross** asked procedural and evidentiary questions. **ACA Lesel** responded that there are exceptions to the hearsay rule that can be used to establish a case; noted that the Hearing Examiner did not find the animals dangerous; stated that training is needed for Hearing Examiners to determine findings. **Commissioner Zaft** added that the department needs to ensure that witnesses can attend hearings. **ACA Lesel** stated that compelling testimony can be provided by an ACO who was at the scene, saw the bite, or interviewed the victim or other witnesses, and dog owner.

Commissioner Zaft found that there was a lack of evidence to support the General Manager's determination; and made a motion to reverse the General Manager's decision and reissue the dog licenses for dogs "**Lily**" (**L17-382387**) and "**Leila**" (**L17-237970**) without restrictions. The motion was seconded by **Commissioner Yañez** and was approved by a vote of 3 - 0.

4. Dangerous Animal Case: DA 152104 EV

Respondent: Edward Grover Sherlock White

Complaining Witness: Felipe Morales, Elisa Morales and Ivan Gomez

East Valley Animal Care and Control: Captain Karen Knipscheer-Cox

The Attorney, Marla Tauscher, appeared on behalf of the Respondent, who did not attend. None of the Complaining Witnesses were present. Ms Tauscher stated that the Respondent was not notified of the Administrative Hearing and granted a second hearing; that the Respondent was not able to cross examine the Witness because he did not attend; and that testimony given by the Witness was in Spanish and a translated transcript was not provided to the Respondent. The Commissioners discussed the merits of the appeal and the evidence provided to the Hearing Examiner, and the grounds supporting the General Manager's determination.

Board Secretary Moreno informed the Commission that in cases remanded for a second hearing due to notification issues, only the party who was not notified was required to attend. **Commissioner Zaft** noted that a hearing notice was sent to the

Complaining Witness. **Commissioner Gross** asked procedural and evidentiary questions. **ACA Lesel** responded that cross examination is not a major issue when the Witness does not show up; prior testimony can be considered. **Commissioner Zaft** noted that testimony in Spanish was not transcribed in English and provided to the Respondent. **GM Barnette** stated that there are concerns about public safety with this dog and has offered to provide the Respondent with a different dog. **Commissioner Gross** noted the Respondent's testimony of the dog being a "patrol dog" to stop crime and that it is very protective.

Commissioner Zaft found that there is sufficient evidence in the record to support the Hearing Examiner's findings; expressed concern with the hearing procedures and stated that when a hearing is conducted in Spanish, a certified third-party transcript must be provided; moved to uphold the General Manager's decision to revoke the dog license for "**Cooper**" (**L16-492371**) and declare "**Cooper**" a Dangerous Animal; and prohibit the Respondent from owning, possessing, controlling, or being in charge of any dog for a period of three (3) years. The motion was seconded by **Commissioner Yañez** and was approved by a vote of 3 - 0.

Commissioner Wolfson discussed his proposal and the importance of licensing as a public health issue, to advance "No Kill" goal; stated there are resources to reach the goal: laws requiring licensing and displaying of same, law enforcement, dog care professionals (pet groomers, dog walkers, pet stores, etc.), public locations to raise awareness such as dog parks, profit incentives - \$2 in profit for pet stores that help sell licenses; need for public awareness campaign of dog license requirements with signs at various locations and through different partners; general enforcement – warnings leading to tickets; should look at penalties for breaking local, state and federal laws for not displaying dog license; if none, Commission should come up with some; businesses should be asked to ask for

proof of a license when requesting rabbies certificate; Calgary, Canada has successfully returned lost dogs to owners through increasing licensing, and seen decreased dog bites and increased dog health.

Commissioner Gross agreed with importance of increasing licensing and stated that first step is increasing public awareness through the posting of signs at Vet offices and pet stores; big task to get other departments to cooperate; stated that Vets do not want to do law enforcement on clients; recommended going after low-hanging fruit now. **GM Barnette** added that there is a history with Vets and licensing and the challenges; Vets don't want to do anything punitive; maybe put Commission "seal of approval" on signage for offices; maybe do door-to-door canvassing with door hangers about licensing. **Commissioner Gross** asked about percentage of ACE citations issued for licensing. **GM Barnette** responded that she did not know and will have Mark come and give an update. **Commissioner Wolfson** asked if the citations are give for failure to have or display. **GM Barnette** responded that they're give for failure to have. **Commissioner Wolfson** recommended citing for failure to display and asked what the citation amount is. **GM Barnette** responded it is \$100, \$250, \$500 and \$1,000 progressively if there is no compliance. **Commissioner Wolfson** requested to hear back about citing to comply with displaying license. **Commissioner Yañez** recommended giving ACE program more time together with hiring of new staff, and self-identification spay neuter vouchers to see more licensing increases before going to LAPD and other enforcement; recommends public awareness campaign. **Commissioner Wolfson** added that enlisting the assistance of those who make a living off of the work of LAAS could serve as an additional resource. **Commissioner Yañez** expressed concern with asking Vets to help with enforcement. **Commissioner Wolfson** indicated that Vets in low-income areas may not be interested, but his Vet in Los Feliz would not mind selling licenses in his office; asked about process to post signs in dog parks. **GM Barnette** responded that we have to look in to it. **DCA Fauble** responded that the Recreation and Parks Commission would consider the request. **Commissioner Wolfson** suggested a Commission to Commission request; requested an understating of the laws on displaying of tags. **DCA Fauble** responded that it can be complicated because we have the city codes, county, State and potentially federal. **Commissioner Gross** added about requiring Vet and pet stores to post signs about licensing laws. **DCA Fauble** responded that it could involve a new Ordinance. **Commissioner Wolfson** indicated that all that is needed at this time is an analysis of the current laws; provided federal law: Food and Agriculture Code Section 30951, city law is LAMC Section 53.21; next step can be Commission to Commission letter for signage at dog parks. **Commissioner Gross** indicated that literature is too passive and it should be a threat. **Commissioner Wolfson** recommended that it can be two-tiered. **Commissioner García** expressed concern with LAPD enforcement because of focus on lower-income neighborhoods. **Commissioner Wolfson** added that LAPD coordination is not priority, but may be issue of importance – noted broken window theory.

Public Comment

Phyllis Daugherty: Stated that this is not priority for LAPD; Food and Agriculture Code 30951 is a State code about collars and tags for animals that run at large.
Jane Garcia: South LA volunteer from 2005 to 2013; suggested that information tables be set-up at dog parks.

7. ADJOURNMENT

Commissioner Wolfson made a motion to adjourn in honor of the Lesel Family, and **Commissioner Yañez** seconded. Motion passed 4 - 0.

Meeting ended at 12:53 p.m.
