AGENDAS - The Board of Animal Services Commissioners (Board) meets regularly every second (2nd) and fourth (4th) Tuesday of each month at 10:00 A.M. Regular Meetings are held at City Hall, 200 North Spring Street, Room 1060, in Los Angeles, CA 90012. Evening Meetings are held in various locations throughout the City, from 7:00 to approximately 9:30 P.M. The agendas for Board meetings contain a brief general description of those items to be

considered at the meetings. Board Agendas are available at the Department of Animal Services (Department), Administrative Division, 221 North Figueroa Street, 6th Floor, Suite 600, Los Angeles, CA 90012. Board Agendas may also be viewed on the 2nd floor Public Bulletin Board in City Hall East, 200 North Main Street, Los Angeles, CA 90012. Internet users may also access copies of present and prior agenda items, copies of the Board Calendar, MP-3 audio files of meetings as well as electronic copies of approved minutes on the Department's World Wide Web Home Page site at <http://www.laanimalservices.com/CommissionAgendas.htm>

Three (3) members of the Board constitute a quorum for the transaction of business. Some items on the Agenda may be approved without any discussion.

The Board Secretary will announce the items to be considered by the Board. The Board will hear the presentation on the topic and gather additional information from Department Staff. Once presentations have finished, the Board President will ask if any Board Member or member of the public wishes to speak on one or more of these items. Each speaker called before the Commission will have one (1) minute to express their comments and concerns on matters placed on the agenda. (For certain agenda items, speakers will have two (2) minutes.)

PUBLIC INPUT AT BOARD MEETINGS – Public Participation on Agenda Items. Members of the public will have an opportunity to address the Board on agenda items after the item is called and before the Board takes action on the item, unless the opportunity for public participation on the item was previously provided to all interested members of the public at a public meeting of a Committee of the Board and the item has not substantially changed since the Committee heard the item. When speaking to an agenda item other than during Public Comment (see Public Comment below), the speaker shall limit his or her comments to the specific item under consideration (California Government Code, Section 54954.3).

Public Comment. The Board will provide an opportunity for public comment at every regular meeting of the Board. Members of the public may address the Board on any items within the subject matter jurisdiction of the Board as part of Public Comment.

Speaker Cards. Members of the public wishing to speak are to fill out one speaker card for each agenda item on which they wish to speak and present it to the Board secretary **before** the item is called.

Time Limit for Speakers. Speakers addressing the Board will be limited to one (1) minute of speaking time for each agenda item except during general public comment period which is limited to two (2) minutes per speaker. (For certain agenda items, speakers will have two (2) minutes each.). The Chairperson, with the approval of a majority of the Board, may for good cause extend any speaker's time by increments of up to one (1) minute.

Brown Act. These rules shall be interpreted in a manner that is consistent with the Ralph M. Brown Act, California Government Code Section § 54950 et seq.

STANDARDS OF CONDUCT. Speakers are expected to behave in an orderly manner and to refrain from personal attacks or use of profanity or language that may incite violence.

All persons present at Board meetings are expected to behave in an orderly manner and to refrain from disrupting the meeting, interfering with the rights of others to address the Board and/or interfering with the conduct of business by the Board.

In the event that any speaker does not comply with the foregoing requirements, or if a speaker does not address the specific item under consideration, the speaker may be ruled out of order, their speaking time forfeited and the Chairperson may call upon the next speaker.

The Board, by majority vote, may order the removal from the meeting of any speaker or audience member continuing

to behave in a disruptive manner after being warned by the Chairperson regarding their behavior. Section 403 of the California Penal Code states as follows: "Every person who, without authority of law, willfully disturbs or breaks up any assembly or meeting that is not unlawful in its character, other than an assembly or meeting referred to in Section 302 of the Penal Code or Section 18340 of the Elections Code, is guilty of a misdemeanor."

VOTING AND DISPOSITION OF ITEMS – Most items require a majority vote of the entire membership of the Board (3 members). When debate on an item is completed, the Board President will instruct the Secretary to "call the roll". Every member present must vote for or against each item; abstentions are not permitted unless there is a Conflict of Interest for which the Board member is obliged to abstain from voting. The Secretary will announce the votes on each item. Any member of the Board may move to "reconsider" any vote on any item on the agenda, except to adjourn, suspend the Rules, or where an intervening event has deprived the Board of jurisdiction, providing that said member originally voted on the prevailing side of the item. The motion to "reconsider" shall only be in order once during the meeting, and once during the next regular meeting. The member requesting reconsideration shall identify for all members present the Agenda number and subject matter previously voted upon. A motion to reconsider is not debatable and shall require an affirmative vote of three members of the Board.

When the Board has failed by sufficient votes to approve or reject an item, and has not lost jurisdiction over the matter, or has not caused it to be continued beyond the next regular meeting, the issue is again placed on the next agenda for the following meeting for the purpose of allowing the Board to again vote on the matter.

Report to the Board of Animal Services Commissioners

MEETING DATE: June 28, 2016

PREPARED BY: Louis Dedeaux

REPORT DATE: June 24, 2016

TITLE: Director of Field Operations

**SUBJECT: STATUS OF RABBIT FACILITIES AT VARIOUS SHELTERS AND
RECOMMENDATION TO USE MONEY FROM ANIMAL WELFARE
TRUST FUND TO PAY FOR IMPROVEMENTS**

BOARD ACTION RECOMMENDED:

1. **APPROVE** proposed request for use of \$18,000 from the Animal Welfare Trust Fund monies for necessary alterations and improvements to our rabbit keeping areas for both immediate and future use.

SUMMARY

The Department would like to thank Michelle Kelley, Licensed Educator for the House Rabbit Society for taking the time to visit all of our shelters and provide her expertise and recommendations for better rabbit housing. In Ms. Kelley's assessment she identifies immediate recommendations for three of the Department's six shelters. Ms. Kelley's long term recommended alterations and improvements will provide better housing for rabbits while promoting adoptions and bringing in potential volunteers.

Harbor: Install an additional awning/canopy outside of the rabbit keeping area at our Harbor location. The addition of this awning/canopy help aid in providing additional shade to the room in hopes to allow the Air Conditioning (AC) unit to operate optimally. Currently the shelter staff and volunteers are using blankets/sheets to provide additional shade from the sun piercing through the window. These blankets/sheets lined along side of the cages are unsightly and could cause a potential health risk to the rabbits should they ingest the linen. The estimated cost for the addition of an awning is \$3,612.96.

North: Move the rabbits into the building during the hot summer months. Various locations within the building are being assessed with two potential rooms in mind; however the Department will be required to purchase equipment necessary for housing rabbits in the new location. Items the Department is requesting approval to purchase include (1) portable AC unit for an estimated \$850.14 as well as the purchase of (9) banks of stainless steel modular cages at an estimated cost of \$1,309.52 per unit totaling \$11,782.71. Each bank of stainless steel modular cages provides cage space for six rabbits and when needed allows bonded rabbits more room to roam. The purchase of (9) of these cage banks will allow the Department to increase the overall holding capacity by (26) rabbits by providing an overall total of (54) single cages or (27) bonded animal cages. The total estimated amount requested for approval is \$12,632.85.

West Valley: Recommendations for our West Valley facility will have to be broken into two phases.

- Phase I-- Purchase of (1) portable AC unit at an estimated cost of \$850.14.
- Phase II—Cost are not available and will require the Department to draft a scope of work required to meet the Departments needs along with Ms. Kelley's recommendations for the necessary modifications to this room. Once the Department has drafted a scope of work management team members will need to request a job walk with the City's Department of General Services Construction Forces Division in order to obtain cost estimates after which the Department will issue a request for proposal for modifications in this area. Recommendations for Phase II may include, but not be limited to, items such as some type of additional overhead cooling material be added to the roof top or ceiling and/or exhaust fan(s) to aid in keeping the room cooler along with the replacement of the current Air Conditioning unit with a larger energy efficient one, the current cages be replaced with a more modern cage designed for long term housing along with the removal/replacement of the wrought iron window with a store front type window and the back fill of the current trench drain system. Cost estimates are not available at this time.

FISCAL IMPACT:

There is no impact to the General Fund.
