conduct of business by the Board. In the event that any speaker does not comply with the foregoing requirements, or if a speaker does not address the specific item under consideration, the speaker may have their time forfeited and the Chairperson may call upon the next speaker.

The Board, by majority vote, may order the removal from the meeting of any speaker or audience member continuing to behave in a disruptive manner after being warned by the Chairperson regarding their behavior. Section 403 of the California Penal Code states as follows: "Every person who, without authority of law, willfully disturbs or breaks up any assembly or meeting that is not unlawful in its character, other than an assembly or meeting referred to in Section 302 of the Penal Code or Section 18340 of the Elections Code, is guilty of a misdemeanor."

**Voting and Disposition of Items.** Three (3) members of the Board constitute a quorum for the transaction of business. Most items require a majority vote of the entire membership of the Board (3 members). The Board Secretary will announce the items to be considered by the Board. Once presentations have finished, the Board President will ask if any Board Member wishes to speak on one or more of these items. Some items on the Agenda may be approved without any discussion.

When debate on an item is completed, the Chairperson will instruct the Secretary to "call the roll". Every member present must vote for or against each item; abstentions are not permitted. The Secretary will announce the votes on each item. Any member of the Board may move to "reconsider" any vote on any item on the agenda, except to adjourn, suspend the Rules, or where an intervening event has deprived the Board of jurisdiction, providing that said member originally voted on the prevailing side of the item. The motion to "reconsider" shall only be in order once during the meeting, and once during the next regular meeting. The member requesting reconsideration shall identify for all members present the Agenda number and subject matter previously voted upon. A motion to reconsider is not debatable and shall require an affirmative vote of three members of the Board.

When the Board has failed by sufficient votes to approve or reject an item, and has not lost jurisdiction over the matter, or has not caused it to be continued beyond the next regular meeting, the issue is again placed on the next agenda for the following meeting for the purpose of allowing the Board to again vote on the matter.

**Neighborhood Council Input.** Pursuant to Los Angeles Administrative Code Section 22.819, a certified neighborhood council (NC) may take a formal position on a matter by way of a Community Impact Statement (CIS) filed with the City Clerk or a written resolution, and may present the formal position at a Board meeting if it pertains to a matter listed on the agenda. If a NC would like to present its formal position at a Board meeting, the NC must provide the Board with a copy of the CIS or resolution sufficiently in advance for review and potential placement on the agenda. The NC's CIS or resolution should clearly identify the specific matter to which the formal position pertains, and may only be presented on one occasion.
